Security & Safety Measures Protocol in NCBS, Jabalpur

Students are our most precious treasures and only through their sheer dedication and hard work we have been able to achieve the notion of being one of them and in return to their love for their institution we promise them to provide quality education as well as safe and secure environment that would enable them to learn in a conducive environment. Safety and security of students is given utmost priority at Nachiketa College of Business Studies, Jabalpur as one of the top placement college in Central India.

CCTV Cameras:

Oriental Institute of Science & Technology, Jabalpur is one of the best colleges in Central India and is protected by round the clock surveillance of CCTV cameras throughout the whole building the hostel. A special team has been established for 24*7 monitoring of all the cameras so that quick response could be taken in the case of emergency.

Security Personnel:

All the blocks and chambers are duly supervised and are in under check by the armed security personnel. Security personnel ensure entry of only ID Card holders inside the building after the security check. Security personnel have been hired from the top security services in order to give a feel of good atmosphere.
